Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Wednesday 12 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy morning then brighter afternoon. Scattered showers, some heavy.

Today:
Cloudy with showery rain at first, dying out this morning. Bright spells this afternoon in more south and western areas with a few heavy showers and feeling warmer. Staying cloudy and cooler over Angus and Fife. Maximum temperature 15 deg C (59 deg F).

Tonight:
Showers dying away to leave a mainly dry, mild night. A few clear periods in the west but low cloud and mist patches towards the east coast. Minimum temperature 6 deg C (43 deg F).

Thursday:
Mainly dry with clouds breaking during the morning allowing some bright spells to develop, especially in the west. Also a few light showers developing. Light winds. Maximum temperature 14 deg C (57 deg F).

Outlook for Friday to Sunday:
Rather cloudy and cool with a lot of dry weather and just a few showers. Light northeasterly winds.
